

# 8<sup>TH</sup> GRADE FINAL PROJECT

## ~ WATER ROCKETS ~

STARTING ON MONDAY, MAY 8, 2017, STUDENTS WILL BE CREATING BLUEPRINTS WITH A PARTNER FOR WATER ROCKETS, WHICH WILL BE CONSTRUCTED AND LAUNCHED BEFORE THE END OF THE SCHOOL YEAR.

I HAVE ASKED THAT STUDENTS BRING IN THE FOLLOWING MATERIALS... 1) 1.25 LITER COCA-COLA PRODUCT BOTTLE (NO PEPSI PRODUCTS PLEASE – BOTTLE MALFUNCTIONS ON LAUNCH PAD), 2) **OPTIONAL ITEMS** – THEMED DUCT TAPE AND GLUES.

- I HAVE INSTRUCTED THAT PARTNERS DIVIDE WHAT ITEMS THEY WILL PERSONALLY BRING IN TO HELP OFFSET THE COST FOR INDIVIDUALS AND FAMILIES.

IF YOU HAVE ANY QUESTIONS ABOUT THIS ASSIGNMENT, PLEASE CONTACT ME PERSONALLY THROUGH [SBAYLESS@HARDINHOUSTON.ORG](mailto:SBAYLESS@HARDINHOUSTON.ORG) AND I WILL BE HAPPY TO ANSWER ANY QUESTIONS. THE STUDENTS ALWAYS LOOK FORWARD TO THIS PROJECT/FIELD EXPERIENCE, SO ANY HELP WITH PROVIDING MATERIALS WOULD BE FANTASTIC!

THANK YOU,

SCOTT BAYLESS  
JUNIOR HIGH SCIENCE TEACHER
